

AVS GLOBAL INNOVATION PVT LTD

Electrical, Automation & Energy Solutions for Industry

One partner for your plant's power, control, air and energy – from design to commissioning and maintenance.

FOUR SERVICE LINES

01

Power Panels

LT PCC/MCC, APFC and distribution boards; AHU, chiller and VFD control panels. Design to commissioning, retrofits and maintenance.

02

Industrial Automation

PLC/HMI programming, SCADA, VFD drives, BMS for HVAC and cleanrooms, energy monitoring. Control retrofits and AMC.

03

Solar Energy

On-grid rooftop solar for factories and commercial buildings. Every proposal shows expected kWh, savings and payback.

04

HVAC & Cleanroom Turnkey

AHUs up to 1,00,000 CFM, ducting, filtration and cleanrooms from Class 100 to 1,00,000 – manufactured by ABS Air Tech.

WHY AVS

Single window
Power, control, air and energy from one team, with one point of contact.

Factory-direct HVAC
Straight from ABS Air Tech's ISO 9001:2015 certified factories at IMT Manesar and Rewari.

Authorised Voltas dealer
VRV/VRF air-conditioning, with about ₹1 crore of Voltas systems supplied.

FOR PLANTS IN DELHI-NCR

Free energy audit

We walk your plant, review power factor, HVAC and motor loads and rooftop solar potential, and show you where the savings are.

Call +91 95998 81192 / 88260 90978 to book a visit.

INDUSTRIES WE SERVE

Pharma · Food & beverage · Electronics / ESD · Automotive & engineering · Paint, glass & chemicals · Commercial buildings
